And to Two private Bills.

Leicester House, December 20.

This Day Baron Rantzau, Envoy Extraordinary from the King of Denmark, had his first Private Audience of his Royal Highness the Prince of Wales.

And afterwards his first Private Audience of her Royal Highness the Princess Dowager of Wales; to both which Audiences he was introduced by Sir Clement Cottrell Dormer, Knt. Master of the Ceremonies.

Petersbourg, Nov. 19. On the 9th Instant the Empress quitted the Summer-Palace, and came to that of the Winter. And the Great Duke and Great Dutchess are expected there in a few Days. Count Apraxin, one of her Imperial Majesty's Chaplains, died here a few Days ago.

Civita Vecchia, Nov. 24. The Seventy Slaves, who were lately taken by a Neapolitan Man of War, on board an Algerine Corsair in the Canal of Piombino, and afterwards brought here, having performed their Quarantine, were last Saturday put on board two Chebecks, in order to be sent to Naples, to work in the King's Gallies. Two Fathers of the Order of Mercy, who arrived here last Week on board a French Tartane from the Coast of Africa, assure us, that, at their Departure, the Algerines were equipping five Corsairs to cruize on the Ships of the Christian Powers, in order to make good the great Loss they sustained at Sea last Summer. The Officers appointed to command the Pope's two Frigats, that are ordered to be stationed on the Coast of the Ecclesiastical State this Winter, to protect the Navigation, are returned here from Rome with their Instructions; and those two Frigats will put to Sea in a few Days.

Dantzick, Nov. 27. They write from Poland, that several of the principal Nobility of that Kingdom, and of the Great Dutchy of Lithuania, having signified their Resolution to grant several Privileges and Franchises to Foreign Artificers who shall come and settle in their respective Districts, a great Number of Workmen in different Professions, for the most Part Germans, are already arrived at Dolsko, in the Palatinate of Posnania, in order to carry on their respective Trades; and as 'tis expected they will soon be followed by many more, it is not doubted but Arts and Sciences will soon begin to flourish in the different Provinces of that Kingdom. We are informed that his Prussian Majesty, in order to encourage the Commerce of his Subjects, has ordered the Duty of One per Cent. heretofore paid upon some Sorts of Merchandize brought into that Kingdom, to be taken off; and that, for the future, the Duty upon all Merchandize brought into Prussia, shall be on the ancient Footing.

Vienna, Nov. 30. We hear from Grafilitz near Carlsbad in Bohemia, that the Vault of the Choir of the Church of that Town had fallen in during the Time of Divine Service; by which Accident nine Persons had the Misfortune to lose their Lives.

Montpellier, Nov. 30. We have had one of the greatest Storms of Wind and Rain that has happened in this Country for many Years; it lasted near thirty Hours, during which the Waters swelled so prodigeously, as to damage many Bridges. All the little Rivers round us overflowed their Banks, and laid a great Tract of Country

[Price Two-Pence.]

Country under Water. The Bridge leading from Bagnols to Avignon is quite deſtroyed.

Ratisbon, Dec. 2. On Thurſday laſt the Elector of Mentz carried a Letter from the Emperor to the publick Dictature, by which his Imperial Majeſty approves of the Choice lately made of Prince Lewis of Furſtenberg, to fill up the vacant Poſt of General of the Artillery of the Empire.

Hambourg, Dec. 10. We juſt learn by Letters from Bremen, that laſt Friday Night, between Eleven and Twelve, a Fire broke out at a Tanners, which from the Violence of the Wind communicated itſelf (though at a conſiderable Diſtance) to the Pariſh-Church of St. Stephens, which has been conſumed to the very Walls; and from the Sparkles of which, ſix Houſes in different Parts of the City have been laid in Aſhes. This Church was their largeſt Edifice, and the moſt eſteemed for its Architecture.

Hague, Dec. 12. We are informed by our laſt Letters from Manheim, that the Elector Palatin continues in ſuch an ill State of Health, that publick Prayers are put up in all the Churches of that Electorate, for his Recovery.

DR. *JAMES's* Powder for FEVERS, and other Inflammatory Diſtempers, publiſhed by Virtue of His MAJESTY's ROYAL LETTERS PATENT, will remove (as has been experienced in many thouſand Caſes) any continual acute Fever in a few Hours, though attended with Convulſions, Light-headedneſs, and the worſt Symptoms: But if taken in the Beginning of a Fever, one Doſe is generally ſufficient to perform a Cure. *

It is likewiſe a moſt effectual Remedy for all internal Inflammations, Pleuriſies, Quincies, acute Rheumatiſms, and the Lowneſs of Spirits, and Uneaſineſſes proceeding from ſlow and latent Fevers, which are generally miſtaken for Vapours and Hyſterics; and a ſingle Doſe remarkably ſtops the Progreſs of a Cold, and certainly prevents the ill Conſequences ariſing from that very common Diſorder, the Source of almoſt all Diſtempers.

This Powder (which is a very ſafe and pleaſant Medicine to take) is ſold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-againſt the North Door of the Church, at 2 s. 6 d. the two Doſes, with good Allowance to thoſe who buy it for charitable Uſes, or to ſell again; and by James Eſdall, Printer, on the Blind Quay, Dublin.
